PARENTS-GRANDS-GUARDIANS-OTHERS

1. We are losing our children daily to the ways of the world. Why? God is not a BIG enough priority in their lives. God has to compete with too many things of the flesh that look, feel, sound and taste good but are not good for our children.

We offer you a competitive alternative - Positive images (for your children to see), positive words (for them to hear), positive thoughts (for them to speak) to help keep them out of harm's way.

I was told that a picture is worth a thousand words and every time you look at it you grow. Words and pictures grow and increase your children. What words are they hearing and speaking - what pictures are they seeing and watching?

2. We are losing America, Israel and the World to immorality, violence, hatred, war, dishonesty and corruption. It is time to stand on the word of God and take back our children, America, Israel and the World and demand they also stand on the word (principles) of God.

In 2 Chronicles 7:14 - Then, if my people, who bear my name, will humble themselves, pray, seek my face and turn from their evil ways, I will hear from heaven, forgive their sin and heal their land.

Therefore, we as adults need to pray for the President, America, Israel and the World to honor and obey God's word and cry out and stand on 2 Chronicles 7:14. We also need to teach our children to pray and do the same as we are doing (praying).

Our children grow based on the spiritual food they are fed. Our children do what they hear and see. Faith enters our children's heart when they hear, see, speak and pray the word of God. What our children see and think about will eventually take control of them.

3. Select the print that will help your child grow into the type of person you want them to be. Be there with and for your child by interacting with them in prayer - teaching, guiding and directing them to do right (Prayer is the right beginning).

Our children need a different spirit to look at, read about and listen to. The bible says in John 4:24 that "God is a spirit: and they that worship Him must worship Him in spirit and in truth." So the time to start connecting God's spirit with your child's spirit is right now (immediately). Remember the spirit connects only with the spirit, so reading fairy tales, nursery rhymes, watching cartoons, games shows, sports, movies (Disney, Cars, Madagascar) playing video games or Wii are connecting with the wrong spirit. Such activities are not going to connect with either your child's or God's spirit because most of these type of activities are of the flesh.

Our children are confused because they want and need God's spirit, yet everywhere they turn they are being feed the wrong spirit. We offer you with our prints an opportunity to reconnect your child to the correct spirit (God's spirit). What your child focuses on is what they will become.

Proverbs 22:6 says "Teach your children to choose the right path, and when they are older, they will remain upon it."

4. Participate in the Prayer-Raiser and earn \$10.00 from each print sold by a person that uses your name as a referral. You can either keep the money or give it to your church or favorite charity (Click Prayer Raiser Button for more details).

5. Even if you don't purchase a print, go to PRW Sign-Up and put your name on the prayer list. It is time to stop standing by, looking and talking about the problem and do what God's word says to do and then let Him handle the problem.

I Peter 5:7 - Give all your worries and cares to God, for he cares about what happens to you.

One thing for sure, without Positive Images from the Bible to see, read and speak, which allows the spirit of God to connect with the spirit of our children - they are doomed for destruction. We have almost missed one generation but there is still time for their children to help bring them back to where they belong. We can not afford to let a generation of children be lost on our watch.

This is our purpose and our mission for this website and its contents.

Halleluiah and Thank you!!!
